WISHBONE, OSIBISA TOURS OPEN

WISHBONE ASH start their extensive nationwide tour this week with a concert at London's Rainbow Theatre.

This concert is by way of a taster for the real tour which starts next week.

AND OSIBISA also hit the road for their tour — a hot follow-up to their triumphal debut tour of the States. Osibisa kick off at Margate Dreamland on Friday. More dates inside in the Nationwide Gig Guide, pages 26-27.
